

Happy Birthday Boyos

10 March 2019

*Your picture hangs 'bove Gramma's screen,
And 'neath ole man Beethoven.
It always is the last thing seen,
'Fore we go out a-rovin.*

*We think of you on this your day
And wish you all the best.
Candles, cupcakes, games to play,
Tomorrow you can rest.*

*Tons of love and blessings too,
We send with kisses in the mix.
There's nothing that's too good for you
Now that you are six.*

*Love,
Sweet Betts/Ole Dan*
